

SAFEGUARDING ESSENTIALS PUBLICITY VIDEO

When a child plays football, they dream big, they build life skills, and they make friends.

And when a child looks up to us, then--

--it's up to us to keep them safe and help them reach their goals.

That is the essence of safeguarding. In the 90 minutes it takes to watch a football match, this course will help you discover what steps you and your organisation can take to protect children and promote their well-being within football.

Sign up now to discover more about safeguarding in football, including how to recognise and reduce risks and how to respond to concerns.

Start making plans for your safeguarding journey.
